

Audio Guide

A bilingual audio guide (German/English) featuring a wide range of original audio material from well-known activists and witnesses to the Peaceful Revolution accompanies visitors around the exhibition. The 25 stations can be visited chronologically or in any other order. The symbols for the audio tracks are shown on the introductory panels to each chapter.

The audio guide can be loaned from the information desk, which is open every day from 10 am to 5 pm, for a nominal fee of 1 euro.
